From Ingramcontent : Philosophy: Medical Ethics (Macmillan Interdisciplinary Handbooks) Philosophy: Medical Ethics (Macmillan Interdisciplinary Handbooks):

The Macmillan Interdisciplinary Handbooks Philosophy series serves undergraduate college students who have had little or no exposure to philosophy as well as the curious lay reader Following this first primer volume which introduces both the discipline and the topics of the remaining nine volumes each handbook will usher the reader into a

subfield of philosophy see list of titles below and explore fifteen to thirty topics in that subfield Every chapter in each
