By Robert C. Solomon, Kathleen M. Higgins : A Short History of Philosophy a brief history of philosophy from socrates to derrida derek johnston on amazon free shipping on qualifying offers a fun concise and attractive in this accessible and comprehensive work robert solomon and kathleen higgins cover the entire history of philosophy ancient medieval and modern from cultures A Short History of Philosophy:

2 of 2 review helpful Good concise history By David T To keep this as a short history the authors of this book tried to keep it around 300ish pages yet they tried to cover as much as possible of both eastern and western philosophies Obviously with this difficult task each philosopher is only briefly covered some with only a few paragraphs With this speed I think that many who don't already have a knowledge of philosophy is a singularly expansive enterprise a fascinating outgrowth of a human nature that demands we question who and why we are In A Short History of Philosophy the most accessible concise portrait of philosophy in seventy years Robert Solomon and Kathleen Higgins meet the challenge of accurately and engagingly describing it all revelling in philosophy as the art of wonder the search for meaning a gripping dramatic endeavor Here is the entire From Library Journal This book is really more of a survey of world philosophy and religion and a history of ideas than a straightforward treatise on philosophy as a technical subject Traditional Western philosophy and philosophers are well represented from ancient
