By James A. Holstein, Jaber F. Gubrium : The Self We Live By: Narrative Identity in a Postmodern World the extended self was proposed in 1988 since it was formulated many technological changes have dramatically affected the way we consume present ourselves an primary problem constructing trajectories of history and culture talking about quot;the postmodernquot; or quot;postmodernismquot; presupposes there iswas something known as The Self

We Live By: Narrative Identity in a Postmodern World:

1 of 2 review helpful Nice job of tracing postmodernism within sociology By Duane Brown Ph D The book was well written and traced the evolution of postmodernism in sociology in an easily understandable fashion Some links to developments in postmodern thinking outside of sociology would have been helpful The self is a big story In the early part of the century pragmatists like William James Charles Horton Cooley and George Herbert Mead turned away from the transcendental self of philosophical reflection to formulate the new concept of an empirical self the notion that who and what we are is established in everyday interaction The self was now a social structure as Mead put it even if it was located within the individual The story has changed dramatically since A fascinating attempt to reconcile the 20th century concept of the social self with postmodernist thinking this volume makes an important contribution to the literature of both the social sciences and humanities Following a brief introductory chapter the a
