By William Jaworski : Structure and the Metaphysics of Mind: How Hylomorphism Solves the Mind-Body Problem finding fossils is like finding pieces to a jigsaw puzzle although we dont know what the final picture is or where the edges are and the pieces themselves Structure and the Metaphysics of Mind: How Hylomorphism Solves the

Mind-Body Problem:

Structure and the Metaphysics of Mind is the first book to show how hylomorphism can be used to solve mind body problems persistent problems understanding how thought feeling perception and other mental phenomena fit into the physical world described by our best science Hylomorphism claims that structure is a basic ontological and explanatory principle Some individuals paradigmatically living things consist of materials that are structured or organized i William Jaworski s book is a splendid addition to this revival of hylomorphism notable for its clarity thoroughness of presentation and depth of analysis His book will richly repay study by anyone interested in the mind body problem and metaphysics in ge
