By Christian B. Miller : Character and Moral Psychology character strengths and virtues csv is a book by christopher peterson and martin seligman 2004 that attempts to present a measure of humanist ideals of virtue in mental health history and the moral management movement of the 1800s the moral management movement was more successful than Character and Moral Psychology:

Philosophers and psychologists have been hard at work trying to unlock the mysteries of our characters Unfortunately their answers have been all over the map According to one position every single person has all of the moral virtues such as modesty and compassion although to varying degrees Yet according to another position no one has any character traits at all since they are simply illusions and do not exist Hence not one person is honest or compassionate or c Miller s book pair merits praise for the breadth of its empirically informed approach to virtue ethics And hopefully the philosophical work Miller s response rich arguments will inevitably inspire will mirror his precision of writing and argumentation
