Contemporary Philosophy (Oxford Handbooks):

Oxford Handbooks offer authoritative and up to date surveys of original research in a particular subject area. Specially commissioned essays from leading figures in the discipline give critical examinations of the progress and direction of debates. Oxford Handbooks provide scholars and graduate students with compelling new perspectives upon a wide range of subjects in the humanities and social sciences. The Oxford Handbook of Contemporary Philosophy from previous edition. Seven sections covering morals, politics, mind, language, metaphysics, knowledge and science make it as serious and thorough as a survey could be. To anyone prepared for the climb, the handbook promises a commanding view. T
