5 of 5 review helpful The Best Translation and Notes Available in English By John M Gillroy Michael Inwood has done a first class job giving new life to the standard Wallace translation of Hegel s Philosophy of Mind Read with the separate Commentary by Inwood in hand one is able to grasp Hegel s argument at a more fundamental level than the translation alone provides If you spend any time with Hegel begin with this book G W F Hegel is an immensely important yet difficult philosopher Philosophy of Mind is the third part of Hegel s Encyclopaedia of the Philosophical Sciences in which he summarizes his philosophical system It is one of the main pillars of his thought Michael Inwood presents this central work to the modern reader in an intelligible and accurate new translation the first into English since 1894 that loses nothing of the style of Hegel s thought In his ed About the Author Michael Inwood is a Fellow and Tutor in Philosophy at Trinity College University of Oxford
