From Oxford University Press : Metasemantics: New Essays on the Foundations of Meaning metasemantics is a valuable addition to the literature in philosophy of language and linguistics the subtitle indicates that the topic is the foundations of meaning metasemantics new essays on the foundations of meaning kindle edition by alexis burgess brett sherman download it once and read it on your kindle device pc Metasemantics: New Essays on the Foundations

of Meaning:

Metasemantics comprises new work on the philosophical foundations of linguistic semantics by a diverse group of established and emerging experts in the philosophy of language metaphysics and the theory of content The science of semantics aspires to systematically specify the meanings of linguistic expressions in context The paradigmatic metasemantic question is accordingly what more basic or fundamental features of the world metaphysically determine Metasemantics is a valuable addition to the literature in philosophy of language and linguistics It should be clear from these summaries that this is a wide ranging and extremely interesting collection that reflects many current trends in philoso
