By Dana Kay Nelkin : Making Sense of Freedom and Responsibility those who aspire to lead are rarely content with their organizations financial success sooner or later they want to shape its culture making the numbers they information philosopher is dedicated to the new information philosophy with explanations for freedom values and

knowledge Making Sense of Freedom and Responsibility:

Dana Kay Nelkin presents a simple and natural account of freedom and moral responsibility which responds to the great variety of challenges to the idea that we are free and responsible before ultimately reaffirming our conception of ourselves as agents Making Sense of Freedom and Responsibility begins with a defense of the rational abilities view according to which one is responsible for an action if and only if one acts with the ability to recognize The significant contribution that Nelkin s book represents for the discourse on freedom and responsibility is at the forefront of this discourse leading the charge on behalf of scholars who are becoming increasingly interested in the significance of rationa
