**By José Ortega y Gasset : Meditations on Quixote** definitions of the important terms you need to know about in order to understand madness and civilization including artaud cervantes the classical period yes analyzing analysis isneurtmt particularly exciting but it can at least be enjoyable care to prove us wrong Meditations on Quixote:

3 of 3 review helpful One of Favorite Books By Leisa Jose Ortega Y Gasset there is no coincidence that the acronym of his name JOYG contains joy in it JOyG s works are like those of another great Spanish writer Santayana in that every page has exquisitely written thoughts through translation from JOyG that bring great joy to the reader If you are not familiar with Jose Ortega y Gasset consider making a A seminal discussion of literature by the author of The Revolt of the Masses First published in 1914 Meditations on Quixote was Ortega s first book It has immensely grown in value with time and since the 1930 s when Ortega himself began to refer back to it in his later writings it has become more and more important among students of his philosophy as a key to fuller understanding of his work It may be said to represent t
