By Paul Fuller : The Notion of Ditthi in Theravada Buddhism: The Point of View (Routledge Critical Studies in Buddhism) 147 the king wins the pink collection document about 147 the king wins the pink collection is available on print and digital edition this pdf ebook is one of digital 1 i celebrate myself and sing myself and what i assume you shall assume for every atom belonging to me as good belongs to you i loafe and invite my soul The Notion of Ditthi in Theravada Buddhism: The Point of View (Routledge Critical Studies in Buddhism):

1 of 1 review helpful Not much use to the serious academic By jonnos This book stays much too close to the Theravada tradition to be of any real use to the serious academic It contains a study of wrong view and right view as understood in the Abhidhamma but it rsquo s hard to find any original academic contribution to Buddhist studies here The best thing about it is the many citations in Pali given as footnotes The notion of view or opinion ditthi as an obstacle to seeing things as they are is a central concept in Buddhist thought This book considers the two ways in which the notion of views are usually understood Are we to understand right view as a correction of wrong views the opposition understanding or is the aim of the Buddhist path the overcoming of all views even right view the no views understanding The author argues that neither approach is co The authors immaculate nbsp references to primary sources and secondary literature nbsp are well chosen and contain good pointers for reflection and stimulants for further research nbsp JRAS Series 3 Volume 16 This
