workers 9780520060531 rick fantasia books Cultures of Solidarity: Consciousness, Action, and Contemporary American Workers:

A commonplace assumption about American workers is that they lack class consciousness This perception has baffled social scientists demoralized activists and generated a significant literature on American exceptionalism In this provocative book a young sociologist takes the prevailing assumptions to task and sheds new light upon this very important issue In three vivid case studies Fantasia explores the complicated multi faceted dynamics of American working c
