By Hans-Johann Glock : Quine and Davidson on Language, Thought and Reality may 10 2017nbsp;quine and davidson on language thought and reality has 2 ratings and reviews wv quine and donald davidson are quine and davidson on language thought and reality wv quine and donald davidson are among the leading thinkers of the

twentieth century their influence on Quine and Davidson on Language, Thought and Reality:

0 of 0 review helpful Five Stars By Kurt Pond Terrific text and speedy service W V Quine and Donald Davidson are among the leading thinkers of the twentieth century Their influence on contemporary philosophy is second to none and their impact in disciplines such as linguistics and psychology is strongly felt Questioning some of their basic assumptions this text includes interesting comparisons of Quine and Davidson with other philosophers particularly Wittgenstein The text also offers detailed accounts of central issues in contemporary anal this book is the first to examine the work of both Quine and Davidson together and to explore the connections between them That in itself makes this work a welcome addition to the sizeable pile of literature already devoted to each of these two Glock s
