By Cheryl Wilfong : The Meditative Gardener the experience is meditative you can run the game in the background throughout the day listening to the subdued soundtrack and periodically checking in on your baby gardeners carrot salve made with calendula and chamomile which protect extremities before and after gardening The Meditative Gardener:

2 of 2 review helpful lovely and poetic By Judith Sayland this little gem is perfect for the gardener in all of us it is very useful for the beginning meditator and what better place to meditate than your own garden I would suggest that it would most benefit those who garden as a hobby as most of the meditations included center on one s garden and surroundings but that does not mean you can t use it while sitting nex Winner of 7 book awards A Nautilus Gold Medal winner Just holding this book in your hands is a meditative experience In this wise down to earth book Master Gardener and mindfulness meditation teacher Cheryl Wilfong lovingly offers us a rich bouquet of the Buddhas teachings Her gentle friendly and humorous tone creates a nurturing environment in which to practice mindfulness in

our very own gardens Beginning meditators will find practical easy to f A new gardening book brings lush photos and a breath of fresh warmer air A hybrid of Buddhism and gardening Religion BookLine Publishers WeeklyThe Meditative Gardener Aims to Cultivate Good Nature Gardens sprout bouquets a
