celebrate myself and sing myself and what i assume you shall assume for every atom belonging to me as good belongs to you i loafe and invite my soul Constituting Communities: Theravada Buddhism and the Religious Cultures of South and Southeast Asia (Suny Series in Buddhist Studies):

Constituting Communities explores how community functions within Theravada Buddhist culture Although the dominant focus of Buddhist studies for the past century has been on doctrinal and philosophical issues this volume concentrates on discourses that produced them and why and how these discourses and practices shaped Theravada communities in South and Southeast Asia From a variety of perspectives including historical literary doctrinal and philosophical and soci
