Contemporary Cayce: A Complete Exploration Using Today's Philosophy and Science:

2 of 2 review helpful An Escuisite Sampler of the Cayce Material By Alex Kelly I love Cayce s work and his readings have been immensely helpful for so many people and have touched millions of lives I am grateful that Todeschi brings to light each of the important aspects that Cayce touched on For example one may find a topic like skeletal manipulation from Cayce s perspective and learn enough about it to go research it Authors Kevin J Todeschi and Henry Reed have studied applied and taught the Cayce material for decades Using contemporary language that speaks to our time the authors cover twenty four major topics from the readings and explore the material given from Cayce in light of what we know today in modern science philosophy and physics Topics include The Purpose of LifeAkashic RecordsReincarnationRelationships Families and Soul M About the Author Kevin J Todeschi is executive director and CEO of the Edgar Cayce work EdgarCayce.org and Atlantic University AtlanticUniv.edu The author of 25 books he is also a nationally recognized resource on the interpretation of dreams As both st
