From Brand: Psychology Press : Existential and Spiritual Issues in Death Attitudes information about existnetial psychotherapy including theories of existential therapy and how existential counselling could help report examines the role of psychology and psychologists in end of life decisions and quality of care issues Existential and Spiritual Issues

in Death Attitudes:

7 of 8 review helpful For lovers of existentialism spirituality and meaning By J L Weaver Death is a very difficult subject for many of us to think about let alone read an in depth book about its existential meaning and the spiritual issues involved I recently lost a dear friend and I found the chapter Construction of Meaning in the Face of Mortality by Gloria Nouel PhD very comforting Although she writes about Existential and Spiritual Issues in Death Attitudes provides an in depth examination of death attitudes existentialism and spirituality and their relationships a review of the major theoretical models clinical applications of these models to issues such as infertility bereavement anxiety and suicide and an introduction to meaning management theory and how it can be applied to grief counseling In this new volume death is treated both as a thr ldquo This book is a major and valuable achievement it provides a much needed counter balance to the dearth of studies on the human dimensions of living with death rdquo Ernesto Spinelli Ph D School of Psychotherapy
