By John Updike : Self-Consciousness: Memoirs grammy award winning vocalist lani hall alpert brings the passion of her voice to the printed page penning ten short works of fiction and non fiction alike all set rakesh kochhar o 3 years ago in this analysis the classification of people into lower middle or upper class is based on their self identification in

the survey Self-Consciousness: Memoirs:

0 of 0 review helpful I found this memoir to be ponderous and quite dull I couldn't read through the chapter directed at By Theodore S Sotinsky While I am enamored of John Updike's novels especially the Rabbit books and Terrorist I found this memoir to be ponderous and quite dull I couldn't read through the chapter directed at his grandchildren which may have been important to him and his family but certainly no John Updike's memoirs consist of six Emersonian essays that together trace the inner shape of the life up to the age of fifty five of a relatively fortunate American male The author has attempted his foreword states "to treat this life this massive datum which happens to be mine as a specimen life representative in its odd uniqueness of all the oddly unique lives in this world" In the service of this metaphysical effort he has been hair raising From Publishers Weekly Updike's memoir is by no means an autobiography but rather as the title brilliantly suggests a thoughtful communing with past selves as expected wonderfully written It is also disarmingly frank about certain aspects of the writer
