By James Richard Mensch : Hiddenness and Alterity: Philosophical and Literary Sightings of the Unseen
Hiddenness and Alterity: Philosophical and Literary Sightings of the Unseen:

In spite of the injunction of philosophy to "know oneself" we realize that we often act from motives that are obscure we realize that we often do not fully understand how we feel or react In short we understand ourselves as not completely knowable In attempting to know ourselves we recognize that some aspects of ourselves — not unlike when we try to know others — are hidden from us In *Hiddenness and Alterity* Mensch seeks to define how the hidden
