From Duquesne : Psychotherapy for the Other: Levinas and the Face-to-Face Relationship empathy and sympathy in ethics the distinction between empathy and sympathy in the context of ethics is a dynamic and

challenging one therapy today is published by the british association for counselling and psychotherapy and other organisations authorised by experience than face to Psychotherapy for the Other: Levinas and the Face-to-Face Relationship:

1 of 1 review helpful A Layman's Perspective By Robert Dubiel As a layman of philosophical bent rather than as a psychologist I found PSYCHOTHERAPY FOR THE OTHER to be a refreshing antidote to the behaviorist schools of thought which dominated much of psychology during the second half of the twentieth century The authors are clearly and straightforwardly on the side of ethics rather than of using psychology to fit the cli When George Kunz a coeditor of the present volume visited with Emmanuel Levinas in 1987 Levinas asked "Why would a psychologist be interested in my philosophy?" Psychotherapy for the Other represents the latest and one of the most innovative and in depth attempt to address this intriguing and important question These 14 essays solicited from a wide range of scholars and practitioners mount an important challenge to the tradition "Though this notion of psychotherapy for the other may seem obvious the book presents a stunning insight because it requires an attitude of ethical responsibility for the other an attitude typically underemphasized in psychotherapeut
