This intricate and profound exploration of Kabbalistic symbolism as applied to the human body is a classic in French esoteric circles. It is the life work of psychotherapist Annick de Souzenelle whose tremendous depth of thought has been partially inspired by the depth psychology of C G Jung. De Souzenelle incorporates the symbolism of the Hebrew language with biblical references and her understanding of Kabbalistic spirituality to present the Kabbalistic tree. This is one of the most important books in my life; it is a true gift to be able to read and relish Annick de Souzenelle's perspective on knowledge and delight in her genius. Her contribution to our awakening is a true treasure. Academy Award Winning Actress
