1 of 1 review helpful Beautiful new edition By buddhist book This is a beautiful revised edition of James Gray s

translation of the Buddhaghosuppatti The Life Of Buddhaghosa It also includes the Pali text The book gives a translation a synopsis and included an overview over the sources and research done by scholars on the life of Buddhaghosa with valuable references This book probably covers everything currently kno Buddhaghosa stands out as a grand figure in the annals of Buddhism The colossal nature of the work accomplished by him as a translator and expounder of Buddha s words the profound scholarship brought to bear upon that work and the almost superhuman zeal and self denial manifested by him to execute it evoke the highest esteem and admiration on the part of those who have made Pali literature a study But that very little should be known of his personal history bey
