1 of 1 review helpful I thought this was not only an excellent read but also an exploration By Bob I thought this was

not only an excellent read but also an exploration a dip into deep waters Nearly every page gave me something to ponder or contemplate and I must admit it took me awhile to read just for that reason I had to put it down and think about it I very much recommend this book but will readily admit that n Are you ready for real nbsp This is the only book you will ever need on Sei eth r nbsp This is the Way of the Thrice Born of those chosen to be immersed in profound intuition and ineffable wisdom nbsp V ouml lusp aacute is the single most important text on Sei eth r the Old European Shamanic tradition and Wyrð Consciousness if your untapped ability to leap across the conventional to roam Nine Worlds harness those energies and communicate that message to All
