Wonderfully open hearted with a brilliance that shines through every chapter the author has taken me on a profound journey of self awareness With Doug Kraft s skillful guidance I am able to circle around when I loose my spiritual bearings and rejoin my journey to open hearted loving kindness fo A sweet wise and spacious aliveness imbues every moment It rsquo s so clear quiet and unchanging that it draws no attention We can go an entire lifetime without noticing it Yet it is there The Buddha called it Awakening or the End of Suffering He didn rsquo t talk about it but rather taught a way to cultivate the direct experience of it This experience is what counts Many contemporary schools of Buddhism have drifted away from the Buddha rsquo s original
