3 of 3 review helpful In search of Pru my favorite author of all time By Debra Lynne Katz I think I ve finally found my favorite author of all time and I hope to God Ms Calabrese writes another book some day I ve never read a non fiction book that has been written so beautifully It s strange disjointed lovely raw thrilling one non stop roller coaster of a ride I ve been trying to find Ms Calabrese online just For over three years Prudence Calabrese was visited almost nightly by an enigmatic real live alien from the future The alien shared an apocolyptic vision of the future of mankind with Prudence It changed her life forever The alien showed Pru the origins of our universe the exact moment when mankind was changed forever by an interdimensional prankster the consequences to our world and our race of the environmental rapes we are responsible for and she learns of the i Woven through these meditations is the story of Calabrese s own life told with fierce unapologetic honesty Ellen Tanner Marsh New York Times best selling author From the Inside Flap The Grey Dude says it all
