By Carl Johan Calleman : The Mayan Calendar and the Transformation of Consciousness from crystalinks website the mayan calendar speaks of the end of time on december 21 2012 the maya kept time with a combination of several cycles that welcome welcome and thanks for visiting mayankin my name is mariela maya and my purpose is to

facilitate the process and guide you on your journey of personal The Mayan Calendar and the Transformation of Consciousness:

1 of 1 review helpful ahhhh By Tom interesting topic but to me it was a lot of speculation If you re interested about the Mayans do research online to find out more I really like reading books as I am very open minded and was drawn to learn more about the Mayans but I couldn t even finish this book Basically though after the year 2012 our time we re supposed to be reaching an age of enlightenment our civilizati Reveals the Mayan calendar to be a spiritual device that describes the evolution of human consciousness from ancient times into the future bull Shows the connection between cosmic evolution and actual human history bull Provides a new science of time that explains why time not only seems to be speeding up in the modern world but is actually getting faster bull Explains how the end of the Mayan calendar is not the end of the world but a path to The more you read this book the more impressive and meaningful Calleman s historical focus becomes explains events that would seem otherwise random and it gives certain coherence to the patterns of world history packed with an astounding level
