By Rodney Stark : Why God?: Explaining Religious Phenomena why i believe the bible proof that the creator god wrote the bible and established bible christianity as the only true religion quot;produce your cause saith the lord

introduction religion is a fascinating subject now i am not religious i am an atheist to most people religion is a personal matter and if there is any Why God?: Explaining Religious Phenomena:

12 of 12 review helpful A famous sociologist investigates the persistence of belief in God By Jeri Stark sweeps aside a colossal mountain of bad research and misguided theories to hone in on the truth It is astounding that for the last century a large number of social scientists including the most influential one Emile Durkeim taught that religions are not about gods S R F Price claimed religious b Why is it that the majority of people from all socio economic education and ethnic backgrounds ascribe to some sort of faith What draws us to religion What pushes us away And what exactly is religion anyway Defining religion over the past century has ironically led to theories that exclude belief in God proposing that all systems of thought concerning the meaning of life are religions nbsp Of course this makes it impossible to distinguish the ldquo Religion is alive and well across the globe and nbsp Why God nbsp presented an excellent theory as to how and why religious belief is an enduring aspect of human life In the book Stark suggested that his ideas are a sociological theory
