By David Hlavsa : **Walking Distance: Pilgrimage, Parenthood, Grief, and Home Repairs** Walking Distance: Pilgrimage, Parenthood, Grief, and Home Repairs:

3 of 3 review helpful An important and moving book about physical and spiritual pilgrimages By Todd Davis Every year mothers and fathers experience the painful loss of a child through either miscarriage or stillbirth Too often this loss is shuttled away spoken of only in hushed tones if spoken of at all Yet those children matter as much to the parents as the children who survive who live Walking Distance In the summer of 2000 David Hlavsa and his wife Lisa Holtby embarked on a pilgrimage After trying for three years to conceive a child and suffering through the monthly cycle of hope and disappointment they decided to walk the Camino de Santiago a joint enterprise mdash and an act of faith mdash they hoped would strengthen their marriage and prepare them for parenthood Though walking more than 400 miles across the north of Spain turned out to be more dif Beautifully written Moving elegant funny and deeply human mdash Dani Shapiro author of Still Writing Devotion and Slow Motion
