By Gary Hayden : Walking with Plato euthyphro by plato part of the internet classics archive the ancient greeks
part two socrates plato and aristotle dr c george boeree Walking with Plato:

2 of 2 review helpful I enjoyed this book and highly recommend it to hikers who By Kathy L Sterritt I enjoyed this book and highly recommend it to hikers who want to be intellectually engaged during their cross country endeavors The book is relatively light on hiking and philosophy but the combination of the two is very interesting and thought provoking It places arduous hiking in a new light and for that alchemy t A helpful and delightful reminder of the important things in life The Washington Post A compelling reminder that serious reading sustains even transforms lived experience rdquo Booklist Among the thousands who have braved the thousand mile walk from John o rsquo Groats in northeastern Scotland to Land rsquo s End in southwestern Cornwall none has measured his or her steps more thoughtfully than Hayden Though only his wife Wendy ac
