By Joel S. Goldsmith : Consciousness Is What I Am consciousness explaining the nature of consciousness is one of the most important and perplexing areas of philosophy but the concept is notoriously ambiguous 261 responses to why i am not an integrated information theorist or the unconscious expander woett says comment 1 may 21st 2014 at 817

pm Consciousness Is What I Am:

2 of 2 review helpful THE TITLE SAYS IT ALL By Ed in WA State The works of Joel S Goldsmith do not tout a simple solution to the problems of the average person His WAY is not a fast and easy WAY that uses mental gymnastics to make one feel good His WAY does not provide any easy fixes instead Joel S Goldsmith offers the student the challenge to decide whether to pursue a Spiritually Enriching Life or no There is much contemporary interest in the subject of consciousness and Consciousness Is What I Am addresses the most important and least understood aspects of consciousness what it is and how it can be opened to Truth Beginning with the principles of the nature of God and the nature of man Goldsmith ushers the reader progressively deeper into the secrets of consciousness revealing how we can attain the highest states of consciousness through meditation and practice About the Author JOEL S GOLDSMITH 1892 1964 a monumental teacher of practical mysticism devoted most of his life to the discovery and teaching of spiritual principles which he founded and called The Infinite Way After the publication of his seminal book T
