By Nina van Gorkom : The Buddhist Teaching on Physical Phenomena talk 1 strategies of self and not self may 21 2011 the buddhas teaching on anatta or not self is often mystifying to many westerners when we hear the term "not impermanence also called anicca or anitya is one of the essential doctrines and a part of three marks of existence in buddhism the doctrine asserts that all of The Buddhist Teaching on Physical Phenomena:

A general introduction to physical phenomena and the way they are related to each other and to mental phenomena
The purpose of this book is to show that the study of both mental phenomena and physical phenomena is indispensable for the development of the eightfold Path The quotations from the scriptures provide the reader with lively examples of the way the physical phenomena which are depending on conditions perform their functions in daily life The study of this b
