By Osho: From Sex to Super-Consciousness laws of consciousness as devised from contemporary psychology of freud jung houston and maclean my 8 year old son is very worried about earth being destroyed by the sun when it becomes a red giant billions of years from now i have tried to comfort him by From Sex to Super-Consciousness:

2 of 2 review helpful You can think more about your behavior By Reza It is a wonderful book to know yourself better While reading this book you feel that sometimes it is the small things in your life that make the big impact This book says that there is a way to go beyond sex you can transcend sex And the route is simple sex just has to be part of your religious life it has to be something sacred Sex has to be something not pornographic not condemned not repressed but immensely respected This book will guide you to this goal
