0 of 0 review helpful of being just and good starts to take on after a while and I By HLT I am still comparing as I go and it is a book I think any student and teacher of the greater and lesser should know ought to know These prayers

from the Pali text are at times a bit old definitions but the spirit of what is this ascent into being who we are of being just and good starts to take on after a while and I found This book of sacred teachings of the Buddha is filled with suttas that offer protection in the world and release from it It includes all of the traditional chants along with important suttas such as the Lokavabodha Sutta and Dhamma Cetia Sutta All are translated into simple English alternating with the original Pali English can be easily chanted
